September 2016 – August 2020

BSc. Computing

Relevant Coursework: Software Development | Internet Programming; Computer Networks; Operating Systems; IT Project Management; Data Structures and Algorithms; Web Platform Management; Machine Learning; Systems Analysis and design.

PROFESSIONAL WORK EXPERIENCE

Systems Developer – Business Central

September 2021- Present

Attain Enterprises Solutions Limited. -Nairobi, Kenya

- Lead Developer on development and implementation of an ERP system using Microsoft Dynamics 365 Business Central (Version 19) for a national Research organization serving most universities in Kenya and providing support on the same.
- Developed an Insurance Brokerage Management System in a team of 4 for a multinational bank that serves 3.4% of the Nigerian population.
The insurance system was based on Microsoft Dynamics 365 Business Central Version 17.
- Assisted in supporting the system in post go-live process for the same multinational bank.

IT & Software Development Intern - PHP

May 2021 - August 2021

Routesoft Innovative Technologies- Thika, Kenya

- Assisted in developing a website for a local paper manufacturing company.

- Assisted in support operations of a church management system already implemented by the company.
- Assisted to support existing Point of Sale Systems implemented in about 3 local supermarkets and 7 local liquor depots.
- Assisted to develop a School Management System that assists in managing timetabling resources, that has since been adopted by 3 tertiary institutions.

Computer Science Attachee – HTML, CSS, JS

May 2019 - September 2019

Uasin-Gishu County Government - Eldoret, Kenya

- Assisted in the county revenue collection office, specifically the sub-county level
- Assisted in systems networking and troubleshooting for the county office

EXTRACURRICULAR ACTIVITIES

Youth Football campaign - Kapsabet, Kenya

Secretarial Position

November 2020 - April 2021

- With sporting passion, I helped to organize a football tournament for about 18 teams, 500 people to help the local youth get involved and busy to stay away from criminal activities.
